

## ADDENDUM 4 – POSTED 08/27/2020

Due to the effects of COVID-19's impact on SARAA staff schedules as well as its hinderance in scheduling respondent demonstrations, SARAA will be postponing the selection of a company until September 30, 2020. This will allow time for SARAA Board action on the system selection. The demonstrations' schedule did not allow for timely presentation to the Board. All subsequent event dates will be revised as disclosed below.
