

REQUEST FOR PROPOSALS
CONSULTANT SERVICES FOR AIRPORT ACCESS CONTROL SYSTEM REPLACEMENT
SUSQUEHANNA AREA REGIONAL AIRPORT AUTHORITY
HARRISBURG INTERNATIONAL AIRPORT

Addendum 1

The following questions have been submitted regarding the above referenced Request for Proposals.

1. Question: I would like to request an electronic copy of the specifications and any other documents associated with this project.

Answer: An electronic copy of the RFP for Consultant Services for Airport Access Control System Replacement is available on the Harrisburg International Airport website, www.Flyhia.com

2. Question: I am hoping to see if there is a budget or cost estimate available for the RFP Design – Airport Access Control System Replacement Project?

Answer: No project estimate is being released so as to not create any advantage or disadvantage to RFP responders who may or may not see the question and answer.

3. Question: Can you identify the type and make of your current ACS and CCTV systems?

Answer: ACS (Access Control System): Johnson Controls P2000 CCTV: Avigilon ACC with Avigilon cameras
